

Herbal Warrior is carefully formulated to ensure that your pet receives the highest quality of care and treatment, while protecting you and the environment from harmful chemicals.

As this non-medical product is toxin free it is necessary to use daily and to follow the instructions below for effective results.

Safe to use with conventional spot on treatments

DIRECTIONS FOR USE:

- Shake before use and spray over yourself for protection
- Clean and vacuum affected areas then seal and dispose of the dust bag
- Wash problem areas and pets bedding with natural cleaning agents (hot wash or hot dry cycles will eliminate eggs and larvae)
- Repeat steps above after 2 weeks

DAILY USE:

- Spray Herbal Warrior freely in living areas and on pets and bedding
- Spray generously on your pet daily, either while brushing or working through coat with your hands
- Spray on hands to apply to face
- Spray freely on your pets and yourself before walks or playing with other animals
- Use Herbal Warrior on a cotton swab to clean your pets ears

CAUTIONS:

- For external use
- Avoid eyes and snouts
- Avoid polished furniture for water stains
- Store away from direct sunlight
